

New Product Announcements

ASSA introduces the high security 6-pin Corbin Russwin LFIC. It can be pinned the same as the standard ASSA IC and is offered in 626 or 606 finishes. Initially offered in Twin Maximum profile **only**. Please consult ASSA Customer Service on requests for other profiles. This core will not be offered with C4 CLIQ.

85060IC	Corbin Russwin IC Cylinder Only	\$118.50	\$113.00	\$106.00

ASSA introduces a new shearing tool to cut the drive pin in existing Corbin Russwin housings. This tool is listed in the new **2010 Product Price List** at the bottom of page 43. Note that the C/R housings may be disassembled by unscrewing the cam activator so that the post may be shortened by hand.
